

## **Adopt an Inlet Application**

BSA will grant customers a 15% Credit for participating in the Adopt an Inlet program. Although residents may adopt as many inlets as they like, only one adopted inlet will be applied per SFR for the purpose of Credit. Adopted inlets should be in close proximity to the property receiving the Credit. If there are no inlets in close proximity to the property, Bradford Sanitary Authority may grant permission for a property owner to adopt an inlet elsewhere in the City. Participants will be responsible for keeping leaves and other debris away from their adopted inlet. Approved participants will receive periodic emails to alert them to check on and remove surface debris from their adopted inlet. Additionally, participants will be asked to alert Bradford Sanitary Authority of any maintenance issues that need addressed around their adopted inlet.
